Hey Misty,

I'd like to share an important event with you and hope you can make the time to come out in support of Angelenos in need.

Tonight is the first night of the [2017 Homeless Count](#). The results of this survey directly impact the federal and state dollars we receive to provide shelter and services to those who need and deserve it.

Volunteers are needed to help conduct the count. With just a few hours of your time, you can help make a difference that will change lives.

[Let's build a Los Angeles where everyone counts.](#)

Eric Garcetti
Mayor
